

## **SINGLE FEASIBLE SOURCE PURCHASE POSTING NOTICE**

**The Missouri Department of Transportation has determined that only one source can provide the products or services described below**

**Title:** Demonstration of new method of applying payment marking tape – SFS 7-060911

**Description:** The Missouri Department of Transportation has determined that only one source, Swarco Reflex, Inc., has developed a new method of applying pavement markings. The Commission desires to evaluate this procedure on the state highway system as a permanent pavement marking method. The services covered by this Agreement shall include furnishing the professional, technical, and other personnel and the equipment, material and all other things necessary for applying the Pathfinder pavement marking system on 2 miles of MoDOT roads as a test. The sections of road are 1 mile of eastbound US 54 in Callaway County and 1 mile of MO 179 in Cole County. The installation will consist of removing all existing pavement markings in these areas and replacing them in the following way:  
Edgelines – surfaced applied  
Lane Lines – installed in a groove as determined by the company

**Contract Period:** August 15, 2006 through August 15, 2007

**Renewal Options:** None

**Agency:** Missouri Department of Transportation

**Supplier:** Swarco Reflex, Inc.
